#### OVERVIEW

Rancho Bernardo Inn is a 265-acre resort in San Diego, known for its incredible golf course and spa facilities. When the resort wanted to update its guestrooms, suites, and public spaces, they asked Bernhard Hospitality to craft an extensive package of fully custom casegoods and seating. The designs were inspired by merging indoor and outdoor spaces to create private sanctuaries. We used warm woods, tactile fabrics, soft leathers, and beautiful metals for furnishings in a signature California style.
