OVERVIEW

Named one of the top new hotel launches for 2025 by *Galerie* magazine, the St. Regis Aruba is located on the island's famed Palm Beach Coast. With a distinctly modern design inspired by Aruba's Dutch-Caribbean heritage, the resort's 252 guestrooms and public spaces were furnished by Bernhardt Hospitality, including casegoods, seating, and outdoor furniture. Woven materials, natural woods, metals, and colored glass were used to create refined designs that offer a new twist on contemporary coastal resort style.
